DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

This is a notice to merely clarify the record. The application was improperly indicated as abandoned sometime between the Office action of March 29, 2001 and the most recent SIR approval. A correction was made in PALM to correct the status and has been reflected in PALM as a Notice of Revived Abandonment. This is to clarify that an abandonment was never formally mailed to the application as it was merely an internal error. Therefore, please disregard the Notice to Revive Abandonment and its mailing as indicated in PALM (PAIR) of 8/18/09.
